Cool Thoughts

Welcome back to UR returning students, and a special welcome to the Class of 2028!

As we all embark on this exciting and new academic journey at UR (or at least a fresh start for our veteran Catholic Jackets), I'm delighted to invite you, both new students and returners, to not just join our vibrant community, but to strive for increased participation and to exercise leadership. Here, you have the unique opportunity to explore and deepen your faith alongside your academic pursuits. We believe in nurturing not only the intellect but also the spirit, fostering a holistic college experience. Here is just a sampling of how you can be nourished by and help others grow in Spirit through your activity in the Catholic Newman Community:

Enhancing Well-being and Finding Friends:

- **Weekly Mass:** Join us every Sunday on campus at 10:30 am & 7 pm. It's a wonderful way to start your week grounded in faith and community.

- **Insta-Mass and Dinner:** Every Wednesday at 9:00 pm in the Interfaith Chapel, followed by pizza for all!. This midweek gathering is perfect for rejuvenating your spirit and sharing your joys and concerns with fellow students.

Growing Closer to Christ:

- **Confessions and Special Services:** Available upon request before or after Masses, with additional services during Advent and Lent.

- **Kairos Retreat and Other Events:** Engage in our diverse offerings, from retreats to social outings, each designed to strengthen your connection to Christ and to each other.

Getting Involved:

- **Volunteer in Liturgical Roles:** Actively participate in Mass as a Lector, Eucharistic Minister, or through music and altar services.

- **Explore Over 40 Programs:** Find your niche in our community by getting involved in programs that match your interests. Our staff is here to help you find the perfect fit!

Remember, our door here at Newman is always open. Whether you're seeking guidance, friendship, or spiritual growth, we're here to support you every step of the way. Let's make this a transformative experience that extends beyond academics, enriching your life and those around you. The best of Newman awaits us in 2024-25. Seek it out!

Peace,

Fr. Cool
